

Ruby - Bug #12066

Ruby creates Wrong .Bat files

02/12/2016 12:01 PM - businessgamer8 (Kevin Marti)

Status:	Closed	
Priority:	Normal	
Assignee:	nagachika (Tomoyuki Chikanaga)	
Target version:		
ruby -v:	ruby 2.2.4p230 (2015-12-16 revision 53155) [x64-mingw32]	Backport: 2.1: DONTNEED, 2.2: DONE, 2.3: DONTNEED
Description After i downloaded the newest version of Ruby and installed SASS, i tried to run SASS from the command line. This gave me following error: Der Befehl ""C:\Program ist entweder falsch geschrieben oder konnte nicht gefunden werden. (In German, but important part is the bold one.) it says command not found... So i debugged the sass.bat file and saw that there is a " too much. I modified the file from: <pre>@ECHO OFF IF NOT "%~f0" == "~f0" GOTO :WinNT @""C:\Program Files\Ruby22-x64\bin\ruby.exe" "C:/Program Files/Ruby22-x64/bin/sass" %1 %2 %3 %4 %5 %6 %7 %8 %9 GOTO :EOF :WinNT @""C:\Program Files\Ruby22-x64\bin\ruby.exe" "%~dpn0" %*</pre> to: <pre>@ECHO OFF IF NOT "%~f0" == "~f0" GOTO :WinNT @"C:\Program Files\Ruby22-x64\bin\ruby.exe" "C:/Program Files/Ruby22-x64/bin/sass" %1 %2 %3 %4 %5 %6 %7 %8 %9 GOTO :EOF :WinNT @"C:\Program Files\Ruby22-x64\bin\ruby.exe" "%~dpn0" %*</pre> Now it works fine. To mention is, that i installed ruby under C:\Program Files and not in the root directly. So i think the .Bat-Creator is making something strange while writing the file. I hope you can fix it, so other People dont have to modify every additional bat file.
