Description XMLRPC library is no longer maintain actively. I removed broken parsers in Mar. 2016. This issue opened at 2014. No one handled between 2014 and 2016. • https://bugs.ruby-lang.org/issues/9370 • https://bugs.ruby-lang.org/issues/9369 We could not handle this gem, I propose to move XMLRPC to bundled gem from stdlib. I prepared to make repository (http://github.com/hsbt/xmlrpc) and gemified.

As the lib/xmlrpc maintainer, I missed these issues. Sorry and thanks for handling them.

I handled issues I noticed (e.g. [#11489](#) 2 months ago) but I don't object that you maintain lib/xmlrpc as a gem.
