

Ruby - Bug #12442

TestArgf#test_textmode fails on cygwin

05/31/2016 10:01 AM - duerst (Martin Dürst)

Status:	Assigned	
Priority:	Normal	
Assignee:	cygwin	
Target version:		
ruby -v:	ruby 2.4.0dev (2016-05-31 trunk 55228) [x86_64-cygwin]	Backport: 2.1: UNKNOWN, 2.2: UNKNOWN, 2.3: UNKNOWN

Description

When I try to run bin/ruby test/runner.rb test/ruby/test_* (because make test-all doesn't work), the first failure that I get is as below.

```
$ bin/ruby test/runner.rb test/ruby/test_*
Run options:

# Running tests:

[ 156/4545] TestArgf#test_textmode = 1.60 s
  1) Failure:
TestArgf#test_textmode [/cygdrive/c/Data/ruby/test/ruby/test_argf.rb:685]:
\[ruby-core:39234\].
<"1\n2\n3\n4\n5\n6\n"> expected but was
<"1\n2\n3\n4\n5\r\n6\r\n">.
```
