

Ruby - Bug #12784

Compiling v2.3.1 on Debian stable

09/22/2016 02:18 PM - szepeviktor (Viktor Szépe)

Status:	Closed	Backport: 2.1: UNKNOWN, 2.2: UNKNOWN, 2.3: UNKNOWN
Priority:	Normal	
Assignee:		
Target version:		
ruby -v:	ruby 2.3.1	
Description		
Good afternoon!		
I am backporting ruby2.3 (v2.3.1) from Debian testing to stable. https://packages.debian.org/stretch/ruby2.3		
<pre># P="http://http.debian.net/debian/pool/main/r/ruby2.3/ruby2.3_2.3.1-5.dsc" # docker run --rm --tty --volume /opt/results:/opt/results --env PACKAGE="\$P" szepeviktor/jessie-b ackport</pre>		
Everything goes fine until test No 4495 comes: TestFileUtils#test_chown_R_force It pauses there. I suspect older libraries/software.		
gcc version 4.9.2		
Could you please fire me up for debugging? I do not speak ruby :(		
All the best!
