ruby 1.9.3dev (2011-09-23 revision 33323) [s390x-linux]

This is DL & S390 specific issue. and I don't think dl has s390 port.
Moreover, we haven't tested ruby on s390. So, we are welcome if you can contribute
for s390 port.

Thanks.

- Tracker changed from Bug to Feature

- Status changed from Feedback to Rejected

Supporting s390 is considered a new feature.
And then I'm rejecting this issue because of no feedback.
