Submission of applications and criteria for awarding rights

The initial applicants and competing applicants must prove that they meet the requirements for obtaining the licence, as specified in Articles 4 and 5 of Decree No 2006-648 of 2 June 2006 concerning mining rights and underground storage rights (*Journal officiel de la République française*, 3 June 2006).

Interested companies may, within 90 days of the publication of this notice, submit a competing application in accordance with the procedure summarised in the 'Notice regarding the granting of mining rights for hydrocarbons in France' published in *Official Journal of the European Communities* C 374 of 30 December 1994, p. 11, and established by Decree No 2006-648 of 2 June 2006 concerning mining rights and underground storage rights (*Journal officiel de la République française*, 3 June 2006).

Competing applications must be sent to the Minister responsible for mines at the address below. Decisions on the initial application and competing applications will be taken within two years of the date on which the French authorities received the initial application, i.e. by 21 August 2010 at the latest.

Conditions and requirements regarding performance of the activity and cessation thereof

Applicants are referred to Articles 79 and 79.1 of the French Mining Code and to Decree No 2006-649 of 2 June 2006 on mining and underground storage operations and the regulations governing mining and underground storage (*Journal officiel de la République française*, 3 June 2006).
