COUNCIL REGULATION (EU) No 270/2011**of 21 March 2011****concerning restrictive measures directed against certain persons, entities and bodies in view of the situation in Egypt**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 215(2) thereof,

Having regard to Council Decision 2011/172/CFSP of 21 March 2011 concerning restrictive measures directed against certain persons, entities and bodies in view of the situation in Egypt ⁽¹⁾,

Having regard to the joint proposal from the High Representative of the Union for Foreign Affairs and Security Policy and the European Commission,

Whereas:

- (1) Decision 2011/172/CFSP provides for the freezing of funds and economic resources of certain persons having been identified as responsible for the misappropriation of Egyptian State funds, and natural or legal persons, entities or bodies associated with them, who are thus depriving the Egyptian people of the benefits of the sustainable development of their economy and society and undermining the development of democracy in the country. These natural or legal persons, entities and bodies are listed in the Annex to Decision 2011/172/CFSP.

- (3) This Regulation respects the fundamental rights and observes the principles recognised in particular by the Charter of Fundamental Rights of the European Union and notably the right to an effective remedy and to a fair trial and the right to the protection of personal data. This Regulation should be applied in accordance with those rights.

(5) The procedure for amending the list in Annex I to this Regulation should include providing natural or legal persons, entities or bodies concerned with the grounds for their listing, so as to give them an opportunity to submit observations. Where observations are submitted, or substantial new evidence is presented, the Council should review its decision on Annex I in light of those observations and inform the person, entity or body concerned accordingly.

(6) For the implementation of this Regulation, and in order to create maximum legal certainty within the Union, the names and other relevant data concerning natural and legal persons, entities and bodies whose funds and economic resources must be frozen in accordance with this Regulation, must be made public. Any processing of personal data should comply with Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data ⁽²⁾ and Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data ⁽³⁾.

DECISIONS

COUNCIL DECISION

of 10 March 2011

authorising enhanced cooperation in the area of the creation of unitary patent protection

(2011/167/EU)

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 329(1) thereof,

Having regard to the requests made by the Kingdom of Belgium, the Republic of Bulgaria, the Czech Republic, the Kingdom of Denmark, the Federal Republic of Germany, the Republic of Estonia, Ireland, the Hellenic Republic, the French Republic, the Republic of Cyprus, the Republic of Latvia, the Republic of Lithuania, the Grand Duchy of Luxembourg, the Republic of Hungary, Malta, the Kingdom of the Netherlands, the Republic of Austria, the Republic of Poland, the Portuguese Republic, Romania, the Republic of Slovenia, the Slovak Republic, the Republic of Finland, the Kingdom of Sweden and the United Kingdom of Great Britain and Northern Ireland,

Having regard to the proposal from the European Commission,

Having regard to the consent of the European Parliament,

Whereas:

protection throughout the Union and the establishment of centralised Union-wide authorisation, coordination and supervision arrangements.

(1) In accordance with Article 3(3) of the Treaty on European Union (TEU), the Union shall establish an internal market, shall work for the sustainable development of Europe based on balanced economic growth and shall promote scientific and technological advance. The creation of the legal conditions enabling undertakings to adapt their activities in manufacturing and distributing products across national borders and providing companies with more choice and opportunities contributes to attaining this objective. A unitary patent which provides uniform effects throughout the Union should feature amongst the legal instruments which undertakings have at their disposal.

(2) Pursuant to Article 118 of the Treaty on the Functioning of the European Union (TFEU) and in the context of the establishment and functioning of the internal market, measures should include the creation of uniform patent

(3) On 5 July 2000, the Commission adopted a proposal for a Council Regulation on the Community patent for the creation of a unitary patent providing uniform protection throughout the Union. On 30 June 2010, the Commission adopted a proposal for a Council Regulation on the translation arrangements for the European Union patent (hereinafter 'the proposed Regulation on the translation arrangements') providing for the translation arrangements applicable to the European Union patent.

(4) At the Council meeting on 10 November 2010, it was recorded that there was no unanimity to go ahead with the proposed Regulation on the translation arrangements. It was confirmed on 10 December 2010 that insurmountable difficulties existed, making unanimity impossible at the time and in the foreseeable future. Since the agreement on the proposed Regulation on the translation arrangements is necessary for a final agreement on unitary patent protection in the Union, it is established that the objective to create unitary patent protection for the Union could not be attained within a reasonable period by applying the relevant provisions of the Treaties.

(5) In these circumstances, 12 Member States, namely Denmark, Germany, Estonia, France, Lithuania, Luxembourg, the Netherlands, Poland, Slovenia, Finland, Sweden and the United Kingdom, addressed requests to the Commission by letters dated 7, 8 and 13 December 2010 indicating that they wished to establish enhanced cooperation between themselves in the area of the creation of unitary patent protection on the basis of the existing proposals supported by these Member States during the negotiations and that the Commission should submit a proposal to the Council to that end. The requests were confirmed at the meeting of the Council on 10 December 2010. In the meantime, 13 more Member States, namely Belgium, Bulgaria, the Czech Republic, Ireland, Greece, Cyprus, Latvia, Hungary, Malta, Austria, Portugal, Romania and Slovakia have written to the Commission indicating that they also wish to participate in the envisaged enhanced cooperation. In total, 25 Member States have requested enhanced cooperation.

- (6) Enhanced cooperation should provide the necessary legal framework for the creation of unitary patent protection in participating Member States and ensure the possibility for undertakings throughout the Union to improve their competitiveness by having the choice of seeking uniform patent protection in participating Member States, as well as contributing to scientific and technological advance.
- (7) Enhanced cooperation should aim at creating a unitary patent, providing uniform protection throughout the territories of the participating Member States, which would be granted in respect of all those Member States by the European Patent Office (EPO). As a necessary part of the unitary patent, the applicable translation arrangements should be simple and cost-effective and correspond to those provided for in the proposal for a Council Regulation on the translation arrangements for the European Union patent, presented by the Commission on 30 June 2010, combined with the elements of compromise proposed by the Presidency in November 2010 that had wide support in Council. The translation arrangements would maintain the possibility of filing patent applications in any language of the Union at the EPO, and would ensure compensation of the costs related to the translation of applications filed in languages other than an official language of the EPO. The patent having unitary effect should be granted only in one of the official languages of the EPO as provided for in the Convention on the Grant of European Patents (European Patent Convention). No further translations would be required without prejudice to transitional arrangements which would be proportionate and require additional translations on a temporary basis, without legal effect and purely for information purposes. In any case, transitional arrangements would terminate when high quality machine translations are made available, subject to an objective evaluation of their quality. In case of a dispute, mandatory translation obligations should apply to the patent proprietor.
- (8) The conditions laid down in Article 20 TEU and in Articles 326 and 329 TFEU are fulfilled.
- (9) The area within which enhanced cooperation would take place, the establishment of measures for the creation of a unitary patent providing protection throughout the Union and the setting-up of centralised Union-wide authorisation, coordination and supervision arrangements, is identified by Article 118 TFEU as one of the areas covered by the Treaties.
- (10) It was recorded at the Council meeting on 10 November 2010 and confirmed on 10 December 2010 that the objective to establish unitary patent protection within the Union cannot be attained within a reasonable period by the Union as a whole, thus fulfilling the requirement in Article 20(2) TEU that enhanced cooperation be adopted only as a last resort.
- (11) Enhanced cooperation in the area of the creation of unitary patent protection aims at fostering scientific and technological advance and the functioning of the internal market. The creation of unitary patent protection for a group of Member States would improve the level of patent protection by providing the possibility to obtain uniform patent protection throughout the territories of the participating Member States and eliminate the costs and complexity for those territories. Thus, it furthers the objectives of the Union, protects its interests and reinforces its integration process in accordance with Article 20(1) TEU.
- (12) The creation of unitary patent protection is not included in the list of areas of exclusive competence of the Union set out in Article 3(1) TFEU. The legal basis for the creation of European intellectual property rights is Article 118 TFEU, which falls within Chapter 3 (Approximation of Laws) of Title VII (Common Rules on Competition, Taxation and Approximation of Laws), and makes a specific reference to the establishment and functioning of the internal market, which is one of the shared competences of the Union according to Article 4 TFEU. The creation of unitary patent protection, including applicable translation arrangements, therefore falls within the framework of the Union's non-exclusive competence.
- (13) Enhanced cooperation in the area of the creation of unitary patent protection complies with the Treaties and Union law, and does not undermine the internal market or economic, social or territorial cohesion. It does not constitute a barrier to, or discrimination in, trade between Member States and does not distort competition between them.
- (14) Enhanced cooperation in the area of the creation of unitary patent protection respects the competences, rights and obligations of non-participating Member States. The possibility of obtaining unitary patent protection on the territories of the Member States participating does not affect the availability or the conditions of patent protection on the territories of non-participating Member States. Moreover, undertakings from non-participating Member States should have the possibility to obtain unitary patent protection on the territories of the participating Member States under the same conditions as undertakings from participating Member States. Existing rules of non-participating Member States determining the conditions of obtaining patent protection on their territory remain unaffected.
- (15) In particular, enhanced cooperation in the area of the creation of unitary patent protection would comply with Union law on patents since enhanced cooperation would respect pre-existing *acquis*.

- (16) Subject to compliance with any conditions of participation laid down in this Decision, enhanced cooperation in the area of the creation of unitary patent protection is open at any time to all Member States willing to comply with the acts already adopted within this framework in accordance with Article 328 TFEU,

COUNCIL DECISION 2011/168/CFSP**of 21 March 2011****on the International Criminal Court and repealing Common Position 2003/444/CFSP**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 29 thereof,

Whereas:

- (1) In its action on the international scene the Union seeks to advance the principles of democracy, the rule of law, the universality and indivisibility of human rights and fundamental freedoms, respect for human dignity, equality and solidarity, and respect for the principles of the United Nations Charter and international law, as provided for in Article 21 of the Treaty. The Union seeks to develop relations and build partnerships with, inter alia, international organisations which share these principles.
- (2) One of the objectives of the Union is to preserve peace, prevent conflicts and strengthen international security, in accordance with the purposes and principles of the United Nations Charter.
- (3) The Rome Statute of the International Criminal Court (hereinafter the 'Rome Statute') entered into force on 1 July 2002.
- (4) All Member States have ratified the Rome Statute.
- (5) The principles of the Rome Statute, as well as those governing the functioning of the International Criminal Court (hereinafter the 'ICC'), are fully in line with the principles and objectives of the Union. The serious crimes within the jurisdiction of the ICC are of concern to the international community as a whole and to the Union and its Member States.
- (6) The Union and its Member States are determined to put an end to the impunity of the perpetrators of those crimes by taking measures at national level and by enhancing international cooperation to ensure their effective prosecution.
- (7) The Union and the ICC signed an agreement on cooperation and assistance on 10 April 2006 which entered into force on 1 May 2006 ⁽¹⁾.
- (8) The principles and rules of international criminal law embodied in the Rome Statute should be taken into account in other international legal instruments.
- (9) The Union is convinced that universal accession to the Rome Statute is essential for the full effectiveness of the ICC and, to that end, considers that initiatives to enhance the acceptance of the Rome Statute are to be encouraged, provided they are consistent with the letter and spirit of the Rome Statute.
- (10) It is most important that the integrity of the Rome Statute and the independence of the ICC be preserved.
- (11) By its Conclusions of 30 September 2002 on the International Criminal Court the Council has developed a set of principles attached to those Conclusions to serve as guidelines for Member States when considering the necessity and scope of possible agreements or arrangements in responding to proposals regarding the conditions to surrender persons to the ICC.
- (12) On 25 May 2010, the Council adopted Conclusions on the Review Conference of the Rome Statute of the International Criminal Court (hereinafter the 'Review Conference'), which was held in Kampala, Uganda, from 31 May to 11 June 2010.
- (13) The Review Conference adopted amendments to the Rome Statute, in accordance with Article 5, paragraph 2 thereof to define the crime of aggression and to establish conditions under which the ICC could exercise jurisdiction with respect to that crime; adopted amendments to the Rome Statute to expand the jurisdiction of the ICC to three additional war crimes when committed in armed conflicts not of an international character; and decided to retain, for the time being, Article 124 of the Rome Statute. Those amendments are subject to ratification or acceptance and shall enter into force in accordance with Article 121, paragraph 5 of the Rome Statute. The ICC shall exercise jurisdiction over the crime of aggression subject to a decision to be taken after 1 January 2017 by the same majority of States Parties as is required for the adoption of an amendment to the Rome Statute.
- (14) The Union pledged at the Review Conference to review and update its instruments in support of the ICC and to continue the promotion of the universality and preservation of the integrity of the Rome Statute.

⁽¹⁾ OJ L 115, 28.4.2006, p. 50.

- (15) The implementation of the Rome Statute requires practical measures that the Union and its Member States should fully support.
- (16) The Action Plan which was, *inter alia*, called for by a Resolution on entry into force of the Statute of the International Criminal Court approved by the European Parliament on 28 February 2002 to follow up Council Common Position 2001/443/CFSP of 11 June 2001 on the International Criminal Court ⁽¹⁾ was adopted on 4 February 2004 and should be adapted as appropriate.
- (17) In the light of the above, Common Position 2003/444/CFSP of 16 June 2003 on the International Criminal Court ⁽²⁾ should be repealed and replaced by this Decision,

HAS ADOPTED THIS DECISION:

Article 1

1. 4. In implementing this Article, the Union and its Member States shall coordinate political and technical support for the ICC with regard to various States or groups of States.

Article 3

In order to support the independence of the ICC, the Union and its Member States shall, in particular:

- (a) encourage States Parties to transfer promptly and in full their assessed contributions in accordance with the decisions taken by the Assembly of States Parties;
- (b) make every effort towards the accession or ratification by Member States of the Agreement on the Privileges and Immunities of the International Criminal Court as soon as possible and promote such accession or ratification by other States; and
- (c) endeavour to support as appropriate the development of training and assistance for judges, prosecutors, officials and counsel in work related to the ICC.

Article 4

1. The Union and its Member States shall follow closely developments concerning cooperation with the ICC in accordance with the Rome Statute.

2. The Union shall keep under review the implementation of the Agreement between the International Criminal Court and the European Union on cooperation and assistance.

3. The Union and its Member States shall consider the conclusion, as appropriate, of ad hoc arrangements and agreements to enable the effective functioning of the ICC and shall encourage third parties to do so.

Article 5

COUNCIL DECISION 2011/170/CFSP**of 21 March 2011****amending Council Decision 2010/330/CFSP on the European Union Integrated Rule of Law Mission for Iraq, EUJUST LEX – IRAQ**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 28 and Article 43(2) thereof,

Whereas:

- (1) On 7 March 2005, the Council adopted Joint Action 2005/190/CFSP on the European Union Integrated Rule of Law Mission in Iraq, EUJUST LEX⁽¹⁾. That Joint Action, as subsequently amended and extended, expired on 30 June 2009.
- (2) On 11 June 2009, the Council adopted Joint Action 2009/475/CFSP⁽²⁾ which continued EUJUST LEX for another 12 months until 30 June 2010 and which provided that during this period EUJUST LEX was to start a pilot phase of activities in Iraq.
- (3) On 14 June 2010, the Council adopted Decision 2010/330/CFSP⁽³⁾ which continued EUJUST LEX for a further 24 months until 30 June 2012 and which provided that during this period EUJUST LEX – IRAQ should progressively shift its activities and relevant structures to Iraq, focusing on specialised training, while maintaining out-of-country activities as appropriate.
- (4) Council Decision 2010/330/CFSP provided for a financial reference amount intended to cover the expenditure related to EUJUST LEX-IRAQ for the period from 1 July 2010 to 30 June 2011. This financial reference amount should be increased to cover the Mission's operational needs and Council Decision 2010/330/CFSP should therefore be amended accordingly.

- (5) The mandate of the Mission is being carried out in a security context that is liable to deteriorate and to undermine the objectives of the external action of the Union as defined in Article 21 of the Treaty.

- (2) On the basis of a review of Decision 2010/573/CFSP, the restrictive measures should be extended until 31 March 2012.
- (3) However, in order to encourage progress in reaching a political settlement to the Transnistrian conflict, addressing the remaining problems of the Latin-script schools and restoring free movement of persons, the restrictive measures should be suspended until 30 September 2011. COUNCIL DECISION 2011/172/CFSP**of 21 March 2011****concerning restrictive measures directed against certain persons, entities and bodies in view of the situation in Egypt**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 29 thereof,

Whereas:

- (1) On 21 February 2011, the European Union declared its readiness to support the peaceful and orderly transition to a civilian and democratic government in Egypt based on the rule of law, with full respect for human rights and fundamental freedoms and to support efforts to create an economy which enhances social cohesion and promotes growth.
- (2) In this context, restrictive measures should be imposed against persons having been identified as responsible for misappropriation of Egyptian State funds and who are thus depriving the Egyptian people of the benefits of the sustainable development of their economy and society and undermining the development of democracy in the country.
- (3) Further action by the Union is needed in order to implement certain measures,

HAS ADOPTED THIS DECISION:

Article 1

1. All funds and economic resources belonging to, owned, held or controlled by persons having been identified as responsible for misappropriation of Egyptian State funds, and natural or legal persons, entities or bodies associated with them, as listed in the Annex, shall be frozen.

2. No funds or economic resources shall be made available, directly or indirectly, to or for the benefit of, natural or legal persons, entities or bodies listed in the Annex.

3. The competent authority of a Member State may authorise the release of certain frozen funds or economic resources, or the making available of certain funds or economic resources, under such conditions as it deems appropriate, after having determined that the funds or economic resources concerned are:

- (a) necessary to satisfy the basic needs of the natural persons listed in the Annex and their dependent family members,

including payments for foodstuffs, rent or mortgage, medicines and medical treatment, taxes, insurance premiums, and public utility charges;

- (b) intended exclusively for the payment of reasonable professional fees and the reimbursement of incurred expenses associated with the provision of legal services;

- (c) intended exclusively for the payment of fees or service charges for the routine holding or maintenance of frozen funds or economic resources; or

- (d) necessary for extraordinary expenses, provided that the competent authority has notified the competent authorities of the other Member States and the Commission of the grounds on which it considers that a specific authorisation should be granted, at least 2 weeks prior to the authorisation.

A Member State shall inform the other Member States and the Commission of any authorisation granted under this paragraph.

4. By way of derogation from paragraph 1, the competent authority of a Member State may authorise the release of certain frozen funds or economic resources, provided that the following conditions are met:

- (a) the funds or economic resources in question are the subject of a judicial, administrative or arbitral lien established prior to the date on which the natural or legal person, entity or body referred to in paragraph 1 was listed in the Annex, or of a judicial, administrative or arbitral judgment rendered prior to that date;

- (b) the funds or economic resources in question will be used exclusively to satisfy claims secured by such a lien or recognised as valid in such a judgment, within the limits set by applicable laws and regulations governing the rights of persons having such claims;

- (c) the lien or judgment is not for the benefit of a person, entity or body listed in the Annex; and

- (d) recognising the lien or judgement is not contrary to public policy in the Member State concerned.

The Member State concerned shall inform the other Member States and the Commission of any authorisation granted under this paragraph.

5. Paragraph 1 shall not prevent a listed natural or legal person, entity or body from making a payment due under a contract entered into prior to the date on which such person, entity or body was listed in the Annex, provided that the Member State concerned has determined that the payment is not directly or indirectly received by a person, entity or body referred to in paragraph 1.

6. Paragraph 2 shall not apply to the addition to frozen accounts of:

- (a) interest or other earnings on those accounts; or
- (b) payments due under contracts, agreements or obligations that were concluded or arose prior to the date on which those accounts became subject to the measures provided for in paragraphs 1 and 2,

provided that any such interest, other earnings and payments remain subject to the measures provided for in paragraph 1.

Article 2

1. The Council, acting upon a proposal by a Member State or the High Representative of the Union for Foreign Affairs and Security Policy, shall decide to establish and amend the list in the Annex.

2. The Council shall communicate the decision referred to in paragraph 1, including the grounds for the listing, to the natural or legal person, entity or body concerned, either directly, if the address is known, or through the publication of a notice, providing such person, entity or body with an opportunity to present observations.

3. Where observations are submitted, or where substantial new evidence is presented, the Council shall review the decision referred to in paragraph 1 and inform the person, entity or body concerned accordingly.

Article 3

1. The Annex shall include the grounds for listing the natural and legal persons, entities and bodies referred to in Article 1(1).

2. The Annex shall also contain, where available, the information necessary to identify the natural and legal persons entities or bodies concerned. With regard to natural persons, such information may include names, including aliases, date and place of birth, nationality, passport and ID card numbers, gender, address if known, and function or profession. With regard to legal persons, entities and bodies, such information may include names, place and date of registration, registration number and place of business.

Article 4

In order to maximise the impact of the measures referred to in Article 1(1) and (2), the Union shall encourage third States to adopt restrictive measures similar to those provided for in this Decision.

Article 5

This Decision shall enter into force on the date of its adoption.

This Decision shall apply until 22 March 2012.

This Decision shall be kept under constant review. It shall be renewed, or amended as appropriate, if the Council deems that its objectives have not been met.

COUNCIL DECISION 2011/173/CFSP**of 21 March 2011****concerning restrictive measures in view of the situation in Bosnia and Herzegovina**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 29 thereof,

Whereas:

- (1) On 14 December 2010, the Council confirmed its determination to support the Dayton/Paris General Framework Agreement for Peace and its readiness to consider proposals to strengthen the Union's ability to engage effectively with Bosnia and Herzegovina in this regard.
- (2) In this context, restrictive measures should be imposed against certain natural and legal persons whose activities undermine the sovereignty, territorial integrity, constitutional order and international personality of Bosnia and Herzegovina, seriously threaten the security situation in Bosnia and Herzegovina or undermine the Dayton/Paris General Framework Agreement for Peace and the Annexes thereto.
- (3) Further action by the Union is needed in order to implement certain measures,

HAS ADOPTED THIS DECISION:

Article 1

1. Member States shall take the necessary measures to prevent the entry into, or transit through, their territories of those persons whose activities:

- (a) undermine the sovereignty, territorial integrity, constitutional order and international personality of Bosnia and Herzegovina;
- (b) seriously threaten the security situation in Bosnia and Herzegovina; or
- (c) undermine the Dayton/Paris General Framework Agreement for Peace and the Annexes thereto, including measures established in the implementation of the said Agreement;

and persons associated with them, as listed in the Annex.

2. Paragraph 1 shall not oblige a Member State to refuse its own nationals entry into its territory.

3. Paragraph 1 shall be without prejudice to the cases where a Member State is bound by an obligation of international law, namely:

- (a) as a host country to an international intergovernmental organisation;
- (b) as a host country to an international conference convened by, or under the auspices of, the UN;
- (c) under a multilateral agreement conferring privileges and immunities; or
- (d) under the 1929 Treaty of Conciliation (Lateran Pact) concluded by the Holy See (State of the Vatican City) and Italy.

4. Paragraph 3 shall be considered as applying also in cases where a Member State is host country to the Organisation for Security and Cooperation in Europe (OSCE).

5. The Council shall be duly informed in all cases where a Member State grants an exemption pursuant to paragraph 3 or 4.

6. Member States may grant exemptions from the measures imposed under paragraph 1 where travel is justified on the grounds of urgent humanitarian need, or on grounds of attending intergovernmental meetings, including those promoted by the Union, or hosted by a Member State holding the chairmanship in office of the OSCE, where a political dialogue is conducted that directly promotes democracy, human rights and the rule of law in Bosnia and Herzegovina.

7. A Member State wishing to grant exemptions referred to in paragraph 6 shall notify the Council in writing. The exemption shall be deemed to be granted unless one or more Council members raise an objection in writing within two working days of receiving notification of the proposed exemption. Should one or more Council members raise such an objection, the Council, acting by a qualified majority, may decide to grant the proposed exemption.

8. In cases where pursuant to paragraphs 3, 4, 6 and 7, a Member State authorises the entry into, or transit through, its territory of persons listed in the Annex, the authorisation shall be limited to the purpose for which it is given and to the persons concerned thereby.

Article 2

1. All funds and economic resources belonging to, owned, held or controlled by persons whose activities:

- (a) undermine the sovereignty, territorial integrity, constitutional order and international personality of Bosnia and Herzegovina;
- (b) seriously threaten the security situation in Bosnia and Herzegovina; or
- (c) undermine the Dayton/Paris General Framework Agreement for Peace and the Annexes thereto, including measures established in the implementation of the said Agreement;

and natural or legal persons associated with them, as listed in the Annex, shall be frozen.

2. No funds or economic resources shall be made available, directly or indirectly, to or for the benefit of, natural or legal persons listed in the Annex.

3. The competent authority of a Member State may authorise the release of certain frozen funds or economic resources, or the making available of certain funds or economic resources, under such conditions as it deems appropriate, after having determined that the funds or economic resources concerned are:

- (a) necessary to satisfy the basic needs of the natural persons listed in the Annex and their dependent family members, including payments for foodstuffs, rent or mortgage, medicines and medical treatment, taxes, insurance premiums, and public utility charges;
- (b) intended exclusively for the payment of reasonable professional fees and the reimbursement of incurred expenses associated with the provision of legal services;
- (c) intended exclusively for the payment of fees or service charges for the routine holding or maintenance of frozen funds or economic resources; or
- (d) necessary for extraordinary expenses, provided that the competent authority has notified the competent authorities of the other Member States and the Commission of the

grounds on which it considers that a specific authorisation should be granted, at least two weeks prior to the authorisation.

A Member State shall inform the other Member States and the Commission of any authorisation it grants under this paragraph.

4. By way of derogation from paragraph 1, the competent authorities of a Member State may authorise the release of certain frozen funds or economic resources, provided that the following conditions are met:

- (a) the funds or economic resources are the subject of a judicial, administrative or arbitral lien established prior to the date on which the natural or legal person referred to in paragraph 1 was included in the Annex, or of a judicial, administrative or arbitral judgment rendered prior to that date;
- (b) the funds or economic resources will be used exclusively to satisfy claims secured by such a lien or recognised as valid in such a judgment, within the limits set by applicable laws and regulations governing the rights of persons having such claims;
- (c) the lien or judgment is not for the benefit of a natural or legal person listed in the Annex; and
- (d) recognising the lien or judgement is not contrary to public policy in the Member State concerned.

A Member State shall inform the other Member States and the Commission of any authorisation granted under this paragraph.

5. Paragraph 1 shall not prevent a designated person from making a payment due under a contract entered into before the listing of such a person, provided that the relevant Member State has determined that the payment is not directly or indirectly received by a person referred to in paragraph 1.

6. Paragraph 2 shall not apply to the addition to frozen accounts of:

- (a) interest or other earnings on those accounts; or
- (b) payments due under contracts, agreements or obligations that were concluded or arose prior to the date on which those accounts became subject to this Decision;

provided that any such interest, other earnings and payments remain subject to paragraph 1.

Article 3

1. The Council, acting upon a proposal by a Member State or the High Representative of the Union for Foreign Affairs and Security Policy, shall establish and amend the list in the Annex.

2. The Council shall communicate its decision, including the grounds for listing, to the person concerned, either directly, if the address is known, or through the publication of a notice, providing such person with an opportunity to present observations.

3. Where observations are submitted, or where substantial new evidence is presented, the Council shall review its decision and inform the person concerned accordingly.

Article 4

1. The Annex shall include the grounds for listing the persons concerned.

2. The Annex shall also contain, where available, the information necessary to identify the persons concerned. With regard to natural persons, such information may include names, including aliases, date and place of birth, nationality, passport and ID card numbers, gender, address if known, and function or

This Decision shall enter into force on the date of its adoption.

This Decision shall apply until 22 March 2012.

This Decision shall be kept under constant review. It shall be renewed, or amended as appropriate, if the Council deems that its objectives have not been met.
