Access to European Union law

This document is an excerpt from the EUR-Lex website

National case-law

In this section, you can find national case-law and national case-law references in the field of European Union law. They are mainly from EU Member States, but also from non-EU countries (Iceland, Liechtenstein, Norway, Switzerland, and the United Kingdom). Some of the documents in this collection are also referenced in the JURE collection of EUR-Lex.

You will find these documents and references accompanied by a rich legal analysis and links to related information.

The title of the case is only available in the original language of the judgment. Keywords are available in French and English.

Bibliographic information and search functionalities are available in all official EU languages.

How to search in this section

The left-hand side of this page gives access to search tools.

- **Search in national case-law** redirects to an advanced search form that offers many options. Searches will be performed only within the remit of the “national case-law” section.
On the top of the search form, you can choose whether to include case-law summaries in the search results.
- The **Recently published** search gives access to all the documents published in this section in the last 14 days.
