General note to the Labour Force Survey (EPA) tables: As a result of the change in the population base (2021 census), all the series in this table have been revised from 2021 onwards. From 2005 onwards, there is a break in the series for some variables. Moreover, Regulation (EU) 2019/1700 of the European Parliament and of the Council and Commission Implementing Regulation (EU) 2019/2240 entered into force in 2021 Q1.
