Form for naming and authorizing user managers and third-party submitters in NExt

Please fill out legibly. We recommend that you complete the form on your PC. To do this, you can find a writeable form on the Bundesbank's website at www.bundesbank.de/en/next or by following the path www.bundesbank.de/en / Service / NExt.

Name of your organization:[1]

1. The following persons employed in our organization are authorized by our organization to manage users for the specified business area(s) (**user manager**).

This power of attorney grants the authorization to issue and receive statements for our organization in NExt by confirming individual users have the right to do so. These users can then issue and receive legally binding statements in NExt for our organization.

Where specified for the individual user managers, this power of attorney includes not only the use of the live environment but also that of the test environment.

If a person should be named as a user manager for several business areas, please use one line per business area. Please complete all fields in the table.

The table can be enlarged if necessary.

[1] You can also use this form if you do not wish to appoint a user manager or third-party submitter for an organization, but for an authority or natural person, for example. In this case, user managers are appointed and authorized for the relevant authority or natural person. If you are a natural person, you should be appointed as user manager unless you decide to appoint a third-party submitter pursuant to No 2.

First name	Surname	Email address	NExt User-ID, if available	Mobile number	Business area[2]	Relevant functional identifier[3]	Use of the test environment: yes / no

2. The following third parties not employed in our organization are authorized by our organization to use NExt for the specified business area(s) as third-party submitter (**third-party submitter**).

This power of attorney grants authorization to issue or receive statements of any kind on behalf of our organization in connection with the use of NExt, and the right to independently define and authorize user managers and users to issue and receive statements for our organization in NExt. These users can then issue and receive legally binding statements in NExt for our organization.

If an authorization is to be allocated for several business areas, please use one line per business area. Please complete all fields in the table.

The table can be enlarged if necessary.

Name (first and surname for natural persons):	Business area	Business area identifier

[2] The daily list with an overview of the business areas and related business topics in NExt is available at https://www.bundesbank.de/en/next or by following the path www.bundesbank.de/en / Service / NExt.

[3] This can be the identifier for the business area or topic in NExt or the specialized procedure in ExtraNet. Further information on the identifiers can be found in the Overview of the business areas and business topics in NExt.

We confirm that the signatories (jointly, if applicable) are entitled to represent our organization.

It is also possible to use an electronic signature.
