Re: CWS Surveys on Use of Identifiers, Electronic Representations of Designs, and Supplementary Protection Certificates / Patent Term Extensions

---

Madam,  
Sir,

At its Sixth Session, the Committee on WIPO Standards (CWS) requested the Secretariat to invite Intellectual Property Offices (IPOs) to respond to three surveys related to the work of the CWS. The surveys are:

1. Use of Identifiers for Applicants by IPOs;
2. Grant and Publication of Supplementary Protection Certificates or Patent Term Extensions; and
3. Electronic Representations of Industrial Designs

Accordingly, the International Bureau would appreciate your kind cooperation in providing the information requested. Please designate the email address where your Office / Organization will receive the surveys by completing the following online form by December 7, 2018:

<https://www.surveygizmo.com/s3/4709198/register>

Survey links will be emailed to the designated recipients promptly after the registration deadline. It would be appreciated if your Office / Organization could submit their responses to all surveys by January 31, 2019. Any questions can be directed to the International Bureau at [cws.surveys@wipo.int](mailto:cws.surveys@wipo.int).

Yours sincerely,

Kunihiko Fushimi  
Director  
International Classifications and  
Standards Division
