Getting Started

Login

- 1 Log in to your journal's Editorial Manager: [PLOS Complex Systems](#) | [PLOS Computational Biology](#) | [PLOS Digital Health](#) | [PLOS Genetics](#) | [PLOS Neglected Tropical Diseases](#) | [PLOS Pathogens](#) | [PLOS Sustainability and Transformation](#)

When you joined the Editorial Board, the Editorial Board Services team set up your profile with Academic Editor permissions.

- 2 Enter your Username and Password and click **Editor Login** to access your editor main menu.

*If you log into EM as a reviewer or author, you can change your role to Academic Editor using the **Role** drop down menu after clicking on your name in the top navigation bar.*

Indicate Your Areas of Expertise

This step is critical to help match submissions to your areas of expertise. **Personal Classifications** aid with automated matching and are from the PLOS taxonomy. Free-text

Personal Keywords help guide staff-initiated invitations.

1. Click on your name in the top navigation bar then **Update My Information**

A screenshot of a web form titled 'Update My Information'. The form has a header bar with a user icon. Below the header, there are four sections: 'Username' (a text input field), 'Role' (a dropdown menu currently showing 'Academic Editor'), 'Site Language' (a text input field showing 'English'), and a blue 'Update My Information' button at the bottom.

2. Navigate to **Areas of Interest or Expertise** and indicate your areas of expertise using **Personal Classifications** and **Personal Keywords**.
3. Click **Select Personal Classifications**.

The 'Select Personal Classifications' button is highlighted with a blue box. Below the list, there is a 'Rank Personal Classifications' button, a 'Select 1-50 Classifications' instruction, and a 'Personal Keywords' section showing '(None Defined)' with an 'Edit Personal Keywords' button.

Select 1-50 Classifications

Personal Keywords (None Defined)

- a. This will ask you to select terms from a pre-defined taxonomy. You can browse the taxonomy or use the search bar to find and select available terms.

- b. When you've found your term, select it and click **Add ->** to add it to your Selected Classifications. This will also select and add the higher-level terms above them.

ORCID

In the **Personal Information** section you can link your ORCID to your Editorial Manager account. Clicking **Fetch/Register** will open a new window where you can login to ORCID and authorize.

Personal and Institution Related Information

You can update your personal information at any time. Required fields are in red text and have an asterisk next to the label. You must click **Submit** at the bottom of the page to save changes.

Unavailable Dates

In the **Additional Information** section at the bottom of the page you have the option to select **Unavailable Dates**. Use these when you will be away, very busy, or otherwise unavailable to accept new invitations. Please indicate if you are available to handle the revised submissions you have already been working on.

1. Click **Unavailable Dates**.

The screenshot shows a light gray rectangular box with a tab labeled "Additional Information" at the top left. Inside the box, centered, is a button labeled "Unavailable Dates".

2. Click **Add New Unavailable Date**.
3. Add in a **Start Date**, **End Date**, and **Reason**, specifying whether you can handle revisions of your current assignments. You must click **Submit** to save changes. You do not have to enter any substitutes.

The screenshot shows a form titled "Please Enter the Following" with a "Cancel" button and a "Submit" button at the top. The form contains three fields: "Start Date" with a date picker set to 05/12/2021, "End Date" with a date picker set to 05/31/2021, and "Reason" with a text area containing "Field work. Can handle revisions." A link "Insert Special Character" is visible on the right. The "Submit" button is highlighted with a blue border.

New Invitations

Typically, you will respond to manuscript invitations directly from your email. You can also accept or decline invitations, as well as read the full submission, from the **New Invitations** page under your **Editor 'To-Do' List**.

1. From your **Main Menu** navigate to the **Editor 'To-Do' List** section and click on **New Invitations**
2. Here you will see a list of your pending manuscript invitations.

From here you can:

- a. Click **View Submission** to download the full submission PDF
- b. Accept an invitation by clicking **Yes I will take this Assignment**
- c. Decline an invitation by clicking **No I will not take this Assignment**
 - i. If you decline the invitation you will be prompted to enter a **Reason for Decline**. Your selection informs journal staff about the suitability of invitations, your availability, and next actions on the manuscript.

Decline Invitation

Select your decline reason below.

If selecting "Not suitable for peer review" or "Other," please provide details in the box. If you are able, please suggest other Academic Editors who may be qualified to serve as Editor for this manuscript, as well.

If selecting "Currently too busy, but in my area of expertise," we may contact you at a later date if we require further input on the submission at a later stage.

If you will be unavailable for an extended period, please visit [Update My Information](#) and click "Unavailable Dates" and then "Add New Unavailable Date" to let us know.

Discussions

Initiate a Discussion

1. If a paper does not yet have any discussions, click **Initiate Discussion** to open one. If the paper has previous discussions, Initiate Discussion will be replaced with **Discussions** and

you will need to click **Start New Topic**.

2. Fill out the **Topic** and then your **Initial Comments**.
3. Once your comments are ready you can add participants via the search function. When you have found the people you are looking for, tick the box next to their name. Then click **Proceed to Customize Letters**.

Do **NOT** select Start Discussion Without Sending Letters. If this is selected the discussion will start but no one will be notified and you may not get a response.

4. Click **Confirm Selections and Proceed** to send the Discussion Invite letter

Respond to a Discussion

1. You will receive invitations to participate in discussions via email. Click on the link within the email to access your **Submissions with Active Discussions** folder and click on the **Discussions** Action on the manuscript
2. Click **View** to see the conversation and participants
3. Add your **Comments** as needed and click **Post**. (You will also receive an email confirmation of your comments)

History

This page contains a chronological listing of the manuscript's status and correspondence history. It is especially useful if you agree to handle a manuscript that was previously assigned to another Academic Editor or one that was transferred from another PLOS journal.

Reviewer Search

Direct Search

Use this method if you have a reviewer in mind, are using an author-suggested reviewer, or found a potential reviewer on an external database.

On the **My Publication** tab you can search by a variety of criteria - the most reliable is email

The screenshot shows the 'Search Type' section with two tabs: 'My Publication' (selected) and 'Web of Science Reviewer Locator'. Below the tabs is a search form with the following fields:

Criterion	Is/Is not	Selector	Value
Last Name First Name E-mail Address Position Department Institution City State Country or Region Secondary Last Name Secondary First Name	is	Begins With	

On the right side of the form, there is an 'Add Search Option +' button and a 'Search' button.

1. If your desired reviewer is in the database, their profile will appear in your search results along with some basic statistics on their past invitations and reviews. If they are not in the database you can [register them](#)
