Dear Keepers

I am writing on behalf of the Bodleian Libraries, University of Oxford to endorse your statement *Working Together to Ensure the Future of the Digital Scholarly Record* (July, 2016).

The Bodleian Libraries strongly support the actions outlined to tackle the evolving challenges of preserving and ensuring the long-term accessibility of digital scholarship.

Through this letter I request that the Bodleian Libraries are added as an endorsing organisation to The Keeper's Registry website.

Yours faithfully

Richard Ovenden
