

The future of **The Journal of CWD**

Nicole Neitzey
Assistant Director

After 29 years, the US Government has terminated financial support for *The Journal of Conventional Weapons Destruction*.

- *The sector's primary source for discussion and discourse on technology, programs, and research.*
- *Most extensive ongoing resource for mine action, trusted since 1997.*
- *An archive of 65 issues is available online, featuring over 2,000 articles.*
- *In the last year, nearly 80,000 downloads occurred, with over 475,000 since 2015.*
