Footnotes

- ¹ Preventive measures of SEA include training, risk assessment, mitigation measures, etc. AFPs are active members within the humanitarian cluster system, where actors are engaged in ongoing prevention and response to SGBV, of which SEA is included.
- ² Community outreach may include community sensitization and dialogue on the UN Zero Tolerance Policy; the provision of information on how and where to report SEA, the accountability process and how to access victim assistance; capacity development and engagement of community leaders; and work to address stigmatization and the underlying factors that increase the risk of SEA.
- ³ Action: Taking Formal Complaint, Assessment, Referral to Victim's Assistance, Notification to: relevant entities, including judicial authorities and/or preservation of key evidence.
- ⁴ Psycho-social services/ Immediate medical assistance.
- ⁵ The categorization of "field" includes Missions and Country Offices.
- ⁶ For formed unit only.
- ⁷ The Policy on Human Rights Screening of UN Personnel applies to all types of personnel. It outlines the processes by which MS provide certifications of personnel they nominate or provide, individuals provide self-attestations and the Secretariat exchanges information for the purpose of screening. Proactive screening is currently undertaken only for senior appointments (above D2).
- ⁸ Provision of guidelines and standards to Member States only.
- ⁹ Provides of guidelines and standards to Missions only.
- ¹⁰ All UN and affiliated personnel are responsible to channel the initial report into system.
- ¹¹ Depends on affiliation of perpetrator. Additional information sharing at the discretion of Head of Mission/SRSG/RC.
- ¹² Field protection clusters are composed of UN agencies (OCHA, UNHCR, UNICEF, UNFPA, OHCHR etc.) and non-UN organizations, working on protection in a specific duty station.
- ¹³ The role of IRT is to preserve evidence and ensure immediate victim assistance.
- ¹⁴ Other investigative units in the Mission, including the investigative body of the host agency for the relevant country office.
- ¹⁵ "AFP Personnel" includes AFP staff and related personnel, including: AFP staff, UNVs working with AFP; people deployed to AFP under Stand-by-Personnel arrangements or on reimbursable or non-reimbursable loans; interns; personnel deployed to AFP through an employment agency or similar arrangements; and individuals who have a consultancy contract with AFP.
- ¹⁶ Only for Funds and Programmes, given that the Secretary-General has no authority over officials/ EoM of Agencies.
- ¹⁷ PD does not usually deal with International Contractors as in individual personnel but does ensure that provisions related to SEA are included in the contracts with vendors.
- ¹⁸ Vetting is with regards to the Contractor, not necessarily with individuals employed by the Contractor.
- ¹⁹ ICs other than those accorded EoM status and Employees of Vendors.
- ²⁰ The application will vary depending on the level of support available in the field.
- ²¹ In cases where there is no UN Mission the UNCT/Protection Cluster/ HCRC will take action.
- ²² If present. If OHCHR is not present, this may require deployment of OHCHR - depending on capacity.
- ²³ As TCC/PCC are responsible for pre-mission & pre-deployment activities, EoMs are included in this category. Experts on Mission include military Experts on Mission, staff officers deployed on individual basis, military observers, military liaison officers, individual police officers and all members of Formed Police Units and GPPs.
- ²⁴ To include any civilian members subject to military law of the national contingent (A/C.5/69.18 MOU for military contingents art. 7 quinquies 7.22).
- ²⁵ Experts on Mission include military Experts on Mission, staff officers deployed on individual basis, military observers, military liaison officers, individual police officers and all members of Formed Police Units and GPPs.
