Participants will also need to present a valid passport or government-issued photo identification issued by a Member or Observer State of the United Nations for the collection of their badge. Only approved in-person participants will be issued a conference badge for access to the venue.

No weapons are allowed inside the UNON complex at any time. National security details will be required to surrender their weapons at the Visitors Pavilion, next to the badging centre, to be collected at the exit. For additional information, please send an email to 2024uncsc@un.org.

For more details on registration and accreditation please visit the [2024UNCSC website](#).

CONFERENCE BADGE

An official 2024UNCSC badge is needed to access the premises of the conference.

Although **delegates based in Nairobi** who already have a pass issued by UNON can use this pass to access the Gigiri compound, they must register for the Civil Society Conference and obtain a meeting badge to be allowed access to the meeting rooms. This provision applies to all Permanent Representatives/Deputy Permanent Representatives and other representatives based in Nairobi.

For security reasons, all participants are requested to always wear their badges visibly.

Registered participants should expect to be screened before entering the venue, following UNON access guidelines set by UN Security.

Collection of badges

Collection of Conference badges for registered participants will begin from Tuesday, 7 **May 2024 at 08:00, and continue until 13:00EAT on Friday, 10 May 2024, at the United Nations Pass & ID Office at UNON, Gigiri.**

The days and hours of operations will be as follows:

| | |
|--|----------------------|
| Tuesday to Thursday, 7 to 9 May | 08:00 – 16:00 |
| Friday, 10 May | 08:00 – 13:00 |

Conference badges for approved in-person participants may also be collected by representatives of the permanent missions, embassies or consulates-general of the delegations in Nairobi or in the region. For this purpose, a note verbale (bearing an official stamp) from the permanent mission or the embassy or consulate-general in Nairobi, indicating the name (in English) and contact mobile number of the representative authorized to collect the meeting badges for the delegation, must be presented at the Pass & ID Office, along with a passport or a government-issued photo identification of the representative. Please note that copies of the passports of the delegation must also be presented together with the note verbale in order to collect the badges.

Following past practice at UNON, Heads of State or Government, Vice-Presidents and Crown Princes or Princesses and their spouses as well as delegates at the level of Deputy Prime Minister and Cabinet Minister and their spouses will be issued a VIP pass with a photograph. VIP badges will be available for collection as of 6 May 2024 from the badging centre. For questions, please contact 2024uncsc@un.org.

All visitors including infants and children who intend to travel to the Republic of Kenya must have an approved Electronic Travel Authorisation (eTA) before the start of their journey.

[**APPLY FOR ELECTRONIC TRAVEL AUTHORISATION \(ETA\) HERE**](#)

Please note that the Government of Kenya has amended the visa regulations by introducing the [Electronic Travel Authorization \(eTA\)](#) and removed the visa requirements for all foreign nationals traveling to Kenya with effect from January 2024. All participants must have an approved eTA before the start of their journey. eTA applications for Kenya should be submitted at least 3 days prior to travel to ensure adequate time for authorization. Travellers can submit their applications up to 3 months prior to travel. It is highly recommended that travellers apply as soon as they have booked their accommodation and transport tickets.

Please note that eTA for entering Kenya and registration for attending the UN Civil Society Conference are two separate procedures. Kindly note that successful registration to UN Civil Society Conference does not guarantee issuance of the eTA.

AIRPORTS, TRANSPORTATION & HOTELS

Jomo Kenyatta International Airport is an international airport serving Nairobi, the capital and largest city of Kenya. [See more information HERE.](#)

HOW TO GET TO THE UNON

- **UBER IS AVAILABLE IN NAIROBI** → [Download the App](#)
- **TAXIS**

Taxis are available 24 hours a day at Jomo Kenyatta International Airport. They are recognizable by their yellow colour. The price must be negotiated with the driver before entering the vehicle. Nairobi is a very extended city; the fare and the duration depend therefore on the destination and the road traffic. It takes up to 30 minutes between the airport and downtown Nairobi for a fare between [KES1200 and KES2000](#) (Kenyan currency).

● SHUTTLES AND BUSES

City Bus#34, which runs every 20 mins between 6 AM and 9 PM rotates between downtown Nairobi and JKIA every 20mn for KES35. The travel time, depending on the traffic, is about 45mn.

Minibus operated by hotels run between the airport, the city center, and the tourist areas. If you plan to stay in one of them, ask if a shuttle is offered to guests. Private services of fast and comfortable shuttles are also offered to travellers to reach different localities.

● CAR RENTAL COMPANIES

Several car rental companies offer their services in Kenya. Some of them have an office in Jomo Kenyatta International airport where to pick-up your car 24h a day and others provide you with the car on your arrival.

GENERAL INFORMATION

- **Make or save copies of your important documents** (e.g. identity card, passport data page, credit cards, and travellers' cheques) in case you lose any of them. Leave copies with your family and friends as a contingency.
- **Money Matters:** Before going abroad, notify your bank and credit card companies of your travel, and check exchange rates.
- **Voltage and adapters:** For Kenya the associated plug type is G, which is the plug that has three rectangular pins in a triangular pattern. Kenya operates on a 240V supply voltage and 50Hz. You may consider the use of a travel adaptor, which is a device that simply allows you to plug any UK electrical appliance into a foreign electrical socket. It is important to note that it does not convert the voltage or frequency.
- **Weather:** Nairobi has a pleasant, subtropical highland climate. Kenya's daytime temperatures average between 20°C/68°F and 28°C/82°F. Bear in mind that Nairobi has a high elevation of approximately 1,795m (5,889ft), meaning that temperatures drop noticeably at night. Late evenings and early mornings are often crisp, even indoors.

Please make sure to keep this in mind when packing and include some warmer layers for the evenings. More information on the weather forecast is available from the [Kenya Meteorological Department](#).
